Campaign  
for  
Real Ale

## CHORLEY

### A GREAT TOWN TO VISIT A GREAT DESTINATION FOR BEER

Chorley is a terrific place to drink real ale. With 7 micropubs, a further 6 true free houses and a whole host of other pubs offering a wide range of cask ale, there's a tremendous amount of choice in such a small area. This Real Ale Trail has been produced to encourage visitors to venture beyond the handful of pubs listed in the Good Beer Guide and find out for themselves why Chorley is one of the best Real Ale destinations in the north west. All the pubs in this trail are easily accessible on foot from the centre of town.
